The Houston Police Foundation Brick program is the perfect way to honor a police officer or family member. This program provides the opportunity to create a memory and make it a permanent part of the Plaza at the Tactical Training Center. The bricks will be placed in the Plaza in front of the new facility.

Start a new tradition with your friends and family! Your HPD brick will be a gift everyone is sure to enjoy now and in future years to come. We encourage the community to buy a brick paver in honor of law enforcement or simply to support our Houston Police Officers.

Don't miss out on your chance to be a permanent part of the Plaza. Bricks ordered thru January will be installed in April 2020. ORDER NOW!
